

FRANNIE PEABODY CENTER

Comprehensive HIV & AIDS Services

MISSION

Empowering and supporting people living with or affected by HIV/AIDS in Maine through integrative care, education, advocacy, and prevention services.

VISION

Through continued innovation and a dedicated client-centered approach, we envision an end to HIV transmission and AIDS-related deaths.

VALUES

Frannie Peabody Center is driven by our extensive history of delivering client-centered services and support for people living with or affected by HIV/AIDS, co-occurring conditions, and barriers to care. Frannie Peabody Center fosters compassion, resilience, courage, transparency, inclusiveness, collaboration, and innovation, while remaining steadfast in our goals of supporting sustained health for our clients and the community as a whole.

MONKEYPOX (MPX) UPDATE

Frannie Peabody Center is supporting the coordination of MPX vaccine access, walk-in clinics and referral services.

NATIONAL HIV/AIDS STRATEGY

The National HIV/AIDS Strategy has been updated for 2022-2025.

The Strategy sets bold targets for ending the HIV epidemic in the United States by 2030, including a 75% reduction in new HIV infections by 2025 and a 90% reduction by 2030. To guide the nation toward realizing the vision, the Strategy focuses on four goals:

- Prevent new HIV infections.
- Improve HIV-related health outcomes of people with HIV.
- Reduce HIV-related disparities and health inequities.
- Achieve integrated, coordinated efforts that address the HIV epidemic among all partners and stakeholders.
